

Cabinet Maker

Company: Creek Ocean Construction

Location: Halifax, NS

Job Type: Full-Time, Permanent

About Us

Creek Ocean Construction is a growing construction and millwork company based in Halifax, NS. We specialize in custom cabinetry and architectural millwork, serving both residential and commercial clients. We take pride in our craftsmanship, attention to detail, and team-first approach.

Position Overview

We are seeking a highly skilled and experienced Cabinet Maker to join our team. The ideal candidate will have a passion for woodworking, demonstrated expertise in custom cabinetry, and the ability to work independently or as part of a crew.

Key Responsibilities

- Read and interpret technical drawings, blueprints, and shop drawings.
- Measure, cut, and assemble custom cabinets and millwork with accuracy.
- Perform laminating, edge banding, sanding, staining, and finishing.
- Fit, install, and adjust cabinetry on-site according to project plans.
- Operate woodworking machinery and power tools safely and efficiently.
- Maintain a clean, organized, and safe work environment.
- Collaborate with shop staff, project managers, and installers to ensure timely project completion.

Requirements

- Minimum 5 years of cabinet making experience, preferably in custom or architectural millwork.
- Proficiency with woodworking tools, CNC machines, and finishing equipment.

- Strong attention to detail and high-quality craftsmanship.
- Ability to read shop drawings and translate them into completed products.
- Comfortable working with a variety of materials including solid wood, veneer, MDF, and laminate.
- Ability to work independently and problem-solve on the go.
- Must provide 3 relevant cabinet shop references.
